Erratum to: Cancer Biol Med 2014;11:130-133. doi: 10.7497/j.issn.2095-3941.2014.02.008

In the published article¹, two errors appeared on page 132. The legends of **Figure 7** and **Figure 8** should have read as follows:

Figure 7 Immunohistological findings of the positive staining for cytokeratin (AE1/AE3) (IHC staining, ×100).

Figure 8 Immunohistological findings of the positive staining for vimentin (IHC staining, ×100).

The authors and the journal apologize for the errors and for any confusion it may have caused.
