

ERRATUM

Erratum to Analysis of factors related to non-sentinel lymph node metastasis in 296 sentinel lymph node-positive Chinese breast cancer patients

Amina Maimaitiaili¹, Di Wu¹, Zhenyu Liu¹, Haimeng Liu¹, Xiamusiye Muyiduli², Zhimin Fan¹

¹Department of Breast Surgery, The First Hospital of Jilin University, Changchun 130021, China; ²Department of Epidemiology & Health Statistics, School of Public Health, School of Medicine, Zhejiang University, Hangzhou 310058, China

In the published article¹, some errors appeared in the use of abbreviations. Sentinel lymph node should be referred as SLN instead of NSLN, non-sentinel lymph node should be referred as non-SLN instead of non-NSLN. Only in the [Figure 1](#) and [Table 1](#), NSLN means non-SLN. We apologize for the errors and for any confusion it may have caused.
