

## ERRATUM

# Erratum to Clinical management and survival outcomes of patients with different molecular subtypes of diffuse gliomas in China (2011–2017): a multicenter retrospective study from CGGA

**Figure 2C** Kaplan-Meier estimation of the overall survival of patients with recurrent DG classified according to molecular subtypes.

In the published version of **Figure 2**<sup>1</sup>, an error appeared in **Figure 2C** on page 1468. In **Figure 2C**, the Kaplan-Meier estimation of the overall survival of patients with recurrent DG classified according to molecular subtypes was mistakenly covered by the curves of patients with primary DGs during the figure layout process, while the number statistic under the figure is correct. **Figure 2C** has been updated to correct this mistake. The error does not affect the conclusions of this article. We apologize for the error and for any confusion that it might have caused.
